LOCHIE BIELE

OWNER – LB HEALTH & FITNESS

STRENGTH & CONDITIONING TRAINER & WEIGHT LOSS COACH

I began my study in 2014 at the age of 14 years old, embarking on a journey to indulge in life's experiences and fearlessly develop a method that revolutionizes the fitness industry that will be remembered. Upon completing my Complete Personal Trainer course, I began working in a local gym in my hometown of the Riverland and starting coaching people with their exercise and injury rehab. Soon after I created my own business called *LB Health & Fitness* and from there it all began! After coaching several clients, I became a Gym Manager which connected me with more people who needed my guide, From here I created an online platform through Instagram, Facebook, and my App which allows me to connect with people all over the world!

This is when I started uploading weight loss tips, client transformations, healthy eating ideas, and exercise prescription for people all around me to see, I also teamed up with a Website Designer Jarrad Cranmer, who made all my online dreams come true, so we could connect with anyone and everyone who struggled with their health.

It is now 2022 and I have created a community of like-minded individuals who are willing to create CHANGE in their health and well-being. Together, we hope to continue bringing life changing experiences to more and more people around the world – including YOU!

MISSION STATEMENT

I believe that healthy eating is essential for everyone! I also believe that people have the right to choose when it comes to the food they eat.

While myself am not a flexible eater, I understand the frustration and boredom people become with their foods. It is my mission to help people see their food in a different, enjoyable way, where there is no such thing as “diet” foods but rather better and more delicious options. Therefore, I have created my 12kg, 12 Week Fat Loss Recipe Pack.

Within this booklet I have created flavourful easy to follow recipes that is family friendly and guaranteed to give you results with your weight loss journey. These recipes are high protein meals that will ensure the best energy possible.

During my years of work, I have found that my clients lack seriously in their protein intake, in these recipes I have created a barcode that is easily trackable through apps with a correct macronutrient breakdown.

Spanish Zucchini Tortilla

Serves 2

- 1 tbsp. olive oil
- 1 small potato, peeled, chopped
- 1 small onion, chopped
- ½ small zucchini, thinly sliced
- 6 eggs

What you need to do

1. Heat oil in a non-stick pan and sear the potato and onion over medium-high heat, for about 4 minutes. Next, add the zucchini and sauté for another 4 minutes.
2. In a bowl, whisk eggs and season with salt and pepper. Transfer the vegetables from the pan into the bowl and mix well.
3. Using the same pan, add the egg mixture on low heat and make sure everything is evenly distributed. After about 3 minutes, run a spatula through the outer edges of the tortilla to make sure it does not stick to the pan.
4. After 8-10 minutes, flip the tortilla (this might take more or less, depending on heat, size and pan), using a plate over the pan. Slide the uncooked part back into the pan.
5. After another 5-6 minutes, the tortilla should be cooked. Remove from heat and serve.

1 tsp. coconut oil
3 large eggs
5 tbsp. (70ml) milk, plant or dairy
2 oz. (60g) smoked salmon, cut into pieces
¼ cup (30g) feta cheese (or brie, camembert), cubed
